PROFESSIONAL SUMMARY

Detail-oriented Computer Science and Engineering student with strong technical expertise in Frontend Development, Python, SQL, and AI-assisted development. Proven track record of building scalable full-stack web applications and AI-driven solutions across the software development lifecycle. Highly proficient in data structures, teamwork, communication, and systematic problem-solving, seeking a Software Engineer position to leverage engineering frameworks.

TECHNICAL SKILLS

Programming: Python, SQL, JavaScript, HTML, CSS
Frameworks: React.js, Django, Django REST Framework
Developer Tools: Git, GitHub, VS Code
Competencies: AI-Assisted Development, Full-Stack Web Development

EXPERIENCE & INTERSHIPS

Indian Servers Pvt. Ltd.

Andhra Pradesh, India

Artificial Intelligence & Cyber Security Intern

2025

- Acquired hands-on experience in Machine Learning algorithms, Cyber Security mitigation, and script-based automation through deployment-ready tasks.
- Developed localized automation scripts and executed threat detection workflows to enhance system security protocols.
- Utilized problem-solving and communication skills to collaborate with senior engineers on security assessments and workflow updates.

PROJECTS

Skillora – AI Placement Preparation Platform

React.js, FastAPI, Python

- Developed an AI-powered placement preparation platform with resume analysis, mock interviews, coding practice, aptitude tests, and personalized roadmaps.
- Built intelligent systems for resume evaluation and interview feedback using AI-based scoring and recommendation logic.
- Designed a responsive web application with dashboards, authentication, and seamless user experience for students preparing for placements.

Personal Portfolio Website

React.js, Django, Django REST Framework, SQL

- Built a responsive full-stack portfolio website to showcase projects, skills, and professional experience dynamically.
- Developed REST APIs to manage dynamic content such as projects, skills, experience, and contact form submissions.
- Implemented interactive UI features like project filtering, animated sections, and responsive design optimized for all devices.

EDUCATION

Satya Institute of Technology and Management (SITAM)

2023 – 2027

Bachelor of Technology (B.Tech) – Computer Science & Engineering

CGPA: 8.54 / 10.0

Sri Chaitanya Junior College

2021 – 2023

Intermediate (MPC)

Percentage: 80.7%

Peri Sastri Vidya Peeth

2021

SSC (Secondary School Certificate)

CGPA: 10.0 / 10.0

CERTIFICATIONS & ACHIEVEMENTS

- CodeChef Achievement:** Earned a Diamond Badge by successfully solving over 1,000 algorithmic coding problems.
- NPTEL Certification:** Cloud Computing (2026) – Silver Medal (Score: 82%)
- NPTEL Certification:** The Joy of Computing using Python (2024) – Silver Medal (Score: 77%)
- Hackathons:** Lead participant managing strategic project submissions in the national-level Smart India Hackathon (SIH).
- Scholarship:** Awarded an Institutional Academic Excellence Scholarship of ₹5,000.
